## Shadow Plan - Pre-Cut Tool Shapes

5-S Sort - Set- Shine- Standardize - Sustain

### Long story short

Sovella has a long history in industrial furniture design and manufacture, and over two decades of experience in ergonomic workspace development. Our design and manufacturing facilities are based in Jyväskylä Finland. However, with our main market areas in Scandinavia, the Baltic countries, Central and Eastern Europe, North America, and China, we are truly an international company. We are proud of our past achievements, but our eyes are set on the future. We look forward to bringing our human-centered design even closer to you.
